President, Zeta Beta Tau, Alpha Rho
10924 Strathmore Dr,
Los Angeles, CA 90024

Dear Mr. Sims,

On May 8, 2026, the Initial Meeting took place to review allegations that the Zeta Beta Tau Fraternity violated the IFC Bylaws with incidents on or around May 3, 2026. Based on the totality of the information available and disclosed during the meeting, there is sufficient evidence to find the fraternity responsible for the alleged incidents pertaining to IFC Risk Management Policies: Section 9.4 (Security), Section 12.1. (Glass Bottles); Section 6.1.m (Third Party Compliance). The following sanctions have been decided:

1. Extended Disciplinary Probation: For the rest of the Spring 2026 Quarter and through Fall 2026 Quarter, Zeta Beta Tau will be on disciplinary probation with the Interfraternity Council. Further violations of IFC Policies or Bylaws, referrals by UCPD, or violations of IFC sanctions will result in more severe sanctions for Zeta Beta Tau.

2. Mandatory Pre-Event Risk Meetings: The Zeta Beta Tau Fraternity must hold and document internal risk meetings before every **in-house social event** for the remainder of the disciplinary probationary period. This includes raids, philanthropy, and co-hosted events. These meetings should include any Chapter leadership, risk management chairs, and designated sober monitors who will be responsible for risk management during the event. These meetings should discuss IFC and Zeta Beta Tau risk policies. This document will detail the responsibilities of the risk team, and strategies for the risk team to follow at the party. Minutes from these meetings must be documented and submitted to the IFC Chief Justice and IFC VP of Risk Management no later than two hours prior to the documented starting time of the event. Failure to submit this information will result in the event being canceled.

3. Co-hosted Event Restriction: Through Week 4 of Fall 2026, the Zeta Beta Tau Fraternity will not be allowed to host or co-host any events with third parties. Violation of this policy will result in the event being cancelled and harsher sanctions.

4. Additional Sober Monitors at In-House Events: The Zeta Beta Tau Fraternity will be required to have an additional two sober monitors for every in-house event and an additional one sober monitor for every 50 guests over 150 for the remainder of the disciplinary probationary period. Per the IFC Risk Management Policy, there should be a minimum of 3 sober monitors for every event. This means that Zeta Beta Tau shall have 5 sober monitors at a minimum for each event. All 5 of these monitors are expected to attend the pre-event risk

meetings listed in sanction 2.

Should you want to follow up on the request, or need assistance moving forward please do not hesitate to ask. We appreciate your cooperation in closing this matter. If you have any concerns moving forward, please let us know.

If you should decide to appeal these sanctions, the request must be made within 5 business days of receiving this letter. The request should be sent to the Chief Justice and Richard Barreto.
