Mr. Koapaka Anders
President, Lambda Chi Alpha, Epsilon Sigma
10918 Strathmore Dr,
Los Angeles, CA 90024

Dear Mr. Anders,

On April 16th, 2026, the initial meeting took place to review allegations that the Lambda Chi Alpha fraternity violated the following IFC Risk Management Policy on or around February 28, 2026: Section 12.2 (Noise) and the following IFC Bylaws: Article II, Subsection 5.a and 5.h. Based on the totality of the information available and disclosed during the meeting, there is sufficient evidence to find the fraternity responsible for the alleged incidents. Due to your acceptance of responsibility, the following sanctions will be enacted:

1. Warning: This document serves as a written reprimand to Lambda Chi Alpha and officially informs the chapter that any further violation of IFC bylaws and/or policies, or University policies, may result in more severe sanctioning through the IFC judicial process.

2. Documentation of Internal Judicial Process: In order to ensure proper judicial process for the individuals involved in the incident, documentation of the discussed internal judicial process is required to be sent to the IFC Chief Justice by Monday, June 1, 2026. As discussed in the Initial Meetings, these documents will certify judicial actions of a fine, imposed risk management shifts, and other communications regarding the incident.

Should you want to follow up on the request, or need assistance moving forward please do not hesitate to ask. If you should decide to appeal these sanctions, the request must be made within 5 business days of receiving this letter. The request should be sent to the Chief Justice and Lindsey Goldstein.

Please do not hesitate to contact me with questions or concerns. I can be reached at chiefjustice@ifcucla.com at your earliest convenience.

Sincerely,

J. Marnell
