Mr. Lucas Berman
President, Alpha Epsilon Pi, Xi Deuteron
645 Landfair Avenue
Los Angeles, CA 90024

Dear Mr. Berman,

On March 6th, 2025, the initial meeting took place to review allegations that the Alpha Epsilon Pi Fraternity violated the IFC Bylaws with incidents during January 25th 2025. Based on the totality of the information available and disclosed during the meeting, there is sufficient evidence to find the fraternity responsible for the alleged incidents. Due to your acceptance of responsibility, the following sanctions will be enacted:

1. Warning: This document serves as a written reprimand to Alpha Epsilon Pi and officially informs the chapter that any further violation of IFC bylaws and/or policies or University policies, may result in more severe sanctioning through the IFC judicial process. This warning especially pertains to violations of Risk Policy Section 6 (Alcohol & Drugs) and Section 12 (Community Relations) as drinking games (Die Tournaments) and Disturbing the peace/harassing neighbors pertain to this case and are violations of Risk Policy.

Should you want to follow up on the request, or need assistance moving forward please do not hesitate to ask. We appreciate your cooperation in closing this matter. If you have any concerns moving forward, please let us know.

If you should decide to appeal these sanctions, the request must be made within 5 business days of receiving this letter. The request should be sent to the Chief Justice and Lindsey Goldstein.

Please do not hesitate to contact me with questions or concerns. I can be reached at chiefjustice@ifcucla.com at your earliest convenience.

Sincerely,

C. Hempstead
