Mr. Max Leistman
President, Theta Xi, Alpha Zeta
629 Gayley Avenue,
Los Angeles, CA 90024

Dear Mr. Leistman,

On November 5th, 2024, the initial meeting took place to review allegations that the Theta Xi Fraternity violated the IFC Bylaws during an in-house event on October 5th, 2024. Based on the totality of the information available and disclosed during the meeting, there is sufficient evidence to find the fraternity responsible for the alleged incidents. Due to your acceptance of responsibility, the following sanctions will be enacted:

1. In-House Event Restriction through Week 7: Theta Xi is restricted from hosting any social events with alcohol at their property, or co-hosting events with any other fraternity at that property, through Sunday, November 17th, 2024 (1.5 weeks). The restriction does not apply to out-of-house events.

2. Risk Policy Meeting: During the period of the In-House Event Restriction, the entire Theta Xi Executive Board, as well as any risk management chairs who do not sit on the Executive Board, must attend a risk management meeting with the IFC Chief Justice. This meeting will be held to discuss risk policies regarding alcohol, parties, and the hosting of joint parties. This meeting must be held by Sunday, November 17th, 2024. If the meeting does not take place by that date, the In-House Event Restriction will continue to apply until the meeting takes place. The IFC VP of Risk Management may attend the meeting.

Should you want to follow up on the request, or need assistance moving forward please do not hesitate to ask. We appreciate your cooperation in closing this matter. If you have any concerns moving forward, please let us know.

If you should decide to appeal these sanctions, the request must be made within 5 business days of receiving this letter. The request should be sent to the Chief Justice and Richard Barreto.

Please do not hesitate to contact me with questions or concerns. I can be reached at chiefjustice@ifcucla.com at your earliest convenience.

Sincerely,

M. M. Hoyt
