Mr. Jonathan Narsjo
President, Sigma Nu, Epsilon Pi
601 Gayley Avenue
Los Angeles, CA 90024

Dear Mr. Narsjo,

On September 29, 2026, the initial meeting took place to review allegations that the Sigma Nu fraternity violated the following IFC Risk Management Policies: Section 6.1, 6.3, 7.6.1.g, 10.2, 10.6, 10.7, 10.10, and 12.1 on or around August 12, 2026. Based on the totality of the information available and disclosed during the meeting, there is sufficient evidence to find the fraternity responsible for the alleged incidents. Due to your acceptance of responsibility, the following sanctions will be enacted:

1. Disciplinary Probation: Sigma Nu will be on disciplinary probation with the Interfraternity Council until November 1st, 2026. Further violations of IFC Policies or Bylaws, referrals by UCPD, or violations of IFC sanctions will result in more severe sanctions for Sigma Nu.

2. Mandatory Pre-Event Risk Meetings: Sigma Nu must hold and document internal risk meetings before **every social event** for the remainder of the disciplinary probationary period. This includes in-house and out-of-house raids, philanthropy, and co-hosted events. These meetings should include any Chapter leadership, risk management chairs, and designated sober monitors who will be responsible for risk management during the event. These meetings should discuss IFC and Sigma Nu risk policies, specifically check-in and alcohol policies. These meetings will detail the responsibilities of the risk team, and strategies for the risk team to follow at the party. Minutes from these meetings must be documented and submitted to the IFC Chief Justice and IFC VP of Risk Management no later than two hours prior to the documented starting time of the event. Failure to submit this information will result in the event being canceled, and may result in further discipline.

3. Additional Sober Monitors at Events: Sigma Nu will be required to have an **additional three sober monitors** for every event and an additional one sober monitor for every 50 guests over 150 for the remainder of the disciplinary probationary period. Per the IFC Risk Management Policy, there should be a minimum of 3 sober monitors for every event. This means that Sigma Nu shall have 6 sober monitors at a minimum for each event. All 6 of these monitors are expected to attend the pre-event risk meetings listed in sanction 2.

4. Law Enforcement Training: Sigma Nu will be required to meet with Greek liaison UCPD officer, Jarid Joseph, or a designee, to host a training focused on how to best interact with law enforcement officers as they respond to the chapter facility. The chapter should focus

on learning how/when to call for help or allow officers into the property due to a medical emergency or welfare check. This should happen by the end of the disciplinary probation period or at the earliest time the Greek Liaison Officer is available. You may reach Officer Joseph at jjoseph@ucpd.ucla.edu or work cellphone number (424-440-0011). It is the chapter's responsibility to ensure this time is scheduled in advance. At least 80% of the chapter must be in attendance, and a sign-in sheet must be submitted to the Chief Justice to complete this sanction. Failure to meet this deadline may extend the disciplinary probation period.

5. Completion of Plan of Action Set Forth By Nationals: Sigma Nu will be required to send IFC a record of completion of the Risk Reduction and Alcohol Misuse Prevention assigned by Sigma Nu Nationals, with proof of completion by the assigned dates.

Should you want to follow up on the request, or need assistance moving forward please do not hesitate to ask. If you should decide to appeal these sanctions, the request must be made within 5 business days of receiving this letter. The request should be sent to the Chief Justice and Lindsey Goldstein. We appreciate your cooperation in closing this matter. If you have any concerns moving forward, please let us know.

Please do not hesitate to contact me with questions or concerns. I can be reached at chiefjustice@ifcucla.com at your earliest convenience.
