Mr. Reed Sims
President, Zeta Beta Tau, Alpha Rho
10924 Strathmore Dr,
Los Angeles, CA 90024

Dear Mr. Sims,

On October 9, 2026, the initial meeting took place to review allegations that the Zeta Beta Tau fraternity violated the following IFC Risk Management Policies: Section 6.3, 6.4, 7.6.1.d, 7.6.1.j, 7.6.1.l, and 9.8 on or around September 28, 2026. Based on the totality of the information available and disclosed during the meeting, there is sufficient evidence to find the fraternity responsible for the alleged incidents. Due to your acceptance of responsibility, the following sanctions will be enacted:

1. Social Probation: Due to a repeated violation on an extended disciplinary probation, Zeta Beta Tau will be placed on sober probation with the Interfraternity Council for the rest of Fall Quarter 2026. This means the chapter cannot host any social events with alcohol such as raids, in house parties, tailgates, out of house date parties, etc. The chapter can continue to host philanthropy events provided there is no alcohol present.

2. Written Documentation of Chapter Presentation: Zeta Beta Tau must hold a workshop with the Chapter to discuss risk management within the Chapter. This workshop should discuss risk management topics, including but not limited to, IFC Policies and Procedures, requirements of registered events, safety regulations within the chapter facility, proper identification checks, guest safety, and chapter's risk management procedures. This workshop must be attended by active and new members for 100% of the chapter's total membership. Please submit an outline of the presentation and discussion, as well as any information given out, with an attendance sheet, to the IFC Chief Justice by Friday, November 27th, 2026.

3. Mandatory Pre-Event Risk Meetings: Zeta Beta Tau must hold and document internal risk meetings before **every social event** for Winter Quarter 2027. This includes in-house and out-of-house raids, philanthropy, and co-hosted events. These meetings should include any Chapter leadership, risk management chairs, and designated sober monitors who will be responsible for risk management during the event. These meetings should discuss IFC and Zeta Beta Tau risk policies, specifically check-in and alcohol policies. These meetings will detail the responsibilities of the risk team, and strategies for the risk team to follow at the party. Minutes from these meetings must be documented and submitted to the IFC Chief Justice and IFC VP of Risk Management no later than two hours prior to the documented starting time of the event. Failure to submit this information will result in the event being canceled, and may result in

further discipline. You may upload via this link: https://forms.gle/REdVqdyvUNjSMdAA8

4. Events Approved by Chapter Advisor: Zeta Beta Tau must submit an event approval request to the IFC Chief Justice and their Chapter Advisor at least 5 days before a social event. This requirement will be in place through Winter Quarter 2027. This includes in-house events, out-of-house raids, and co-hosted events.

Should you want to follow up on these requests, or need assistance moving forward please do not hesitate to ask. We appreciate your cooperation in closing this matter. If you have any concerns moving forward, please let us know.

If you should decide to appeal these sanctions, the request must be made within 5 business days of receiving this letter. The request should be sent to the Chief Justice and Richard Barreto.

Please do not hesitate to contact me with questions or concerns. I can be reached at chiefjustice@ifcucla.com at your earliest convenience.

Sincerely,

J. Marnell
